

## Beware the promises of *Notarios!*

Immigration Reform Hasn't Happened Yet.

**STOP** because while there is a lot of excitement around immigration reform, the truth is that no new law has been passed.

Do not believe *notarios* and other unauthorized consultants who say there is a new law in order to steal your money.

**WAIT** until real reform is enacted, hopefully later this year. The wrong help can harm your chances of becoming a lawful resident or citizen.

**TALK** to a qualified immigration attorney, **ASK** questions, and **REPORT** notarios who are trying to take advantage of you or your family.
